

Wholesale Acquisition Cost Information for RYTELO® (imetelstat)

NDC	Geron Product Name	Dosage Form	Unit Size	WAC Price
82959-112-01	RYTELO® 47 mg single-dose vial	lyophilized powder for solution, for intravenous use	1	\$2,660.95
89259-111-01	RYTELO® 188 mg single-dose vial	lyophilized powder for solution, for intravenous use	1	\$10,643.80

Wholesale Acquisition Cost (WAC) is the list price from a manufacturer to a wholesaler or a direct purchaser before any discounts or rebate are applied. The WAC price listed may differ significantly from actual prices paid by customers and consumers.

The list price is being provided consistent with Connecticut’s requirements in Public Act 23-172 and Colorado requirements in HB 19-1131.
